Sole arranger of structured finance for the acquisition of
GAYWOOD HOUSE, WESTMINSTER

FEBRUARY 2015

RDM Capital acted as sole arranger of structured finance between WASP Investments and Tyndaris Real Estate for the acquisition of Gaywood House in the heart of London's Westminster. The freehold office building will be redeveloped into prime luxury residences with iconic views of Westminster Abbey, Big Ben and the London Eye

WASP Investments

Privately owned investor and developer, focused on opportunistic purchases in traditional and alternative real estate in London. Previous developments have centred around Knightsbridge, Chelsea and Belgravia and include an investment in 20 Grosvenor Square alongside ADIC

Tyndaris Real Estate

Provides bespoke capital solutions for real estate backed investments throughout Europe and the UK, ranging from senior debt to preferred equity and special situations capital. The team has over 35 years of industry experience with over €12 billion of completed transactions throughout the region
