Sole arranger of financing with
NATWEST MARKETS AND BANK OF IRELAND

JUNE 2021

RDM Capital acted as sole arranger for a £75 million financing between a consortium of German institutional investors (advised by co-investors, Deutsche Finance International and Yoo Capital) and NatWest Markets and Bank of Ireland for further investment into prime Central London real estate. The financing brings the aggregate capital arranged for the Client over the last 6 months to £200 million.

NatWest Markets

Natwest Markets helps global financial institutions and corporates manage their financial risks and achieve their short- and long-term financial goals while navigating changing markets and regulation. Its Fund Financing team has over 20 years of experience, providing a broad range of investor and asset-backed financing solutions to predominantly UK and Western European Institutional and Private Equity Funds.

Bank of Ireland

Bank of Ireland is one of the largest financial services providers in Ireland. The Group's international business is conducted by its Corporate Banking and Global Markets teams operating from Dublin, London and offices in continental Europe and the United States. Established in 2019, its Subscription Finance team has 19 years' experience in structuring fund finance transactions to closed-ended private capital funds across the alternative asset spectrum.
